Skyline Exim

Red Chilli

Skyline Exim is a trusted Red Chilli exporter from India, supplying premium-quality dried red chillies to global markets. Indian red chillies are widely known for their vibrant color, strong aroma, rich pungency, and long shelf life.

We source our red chillies directly from reputed farms and major chilli-growing regions of India, ensuring freshness, uniformity, and consistent heat levels. Our red chillies are carefully cleaned, sun-dried, and processed under strict quality control to retain natural flavor, color, and capsaicin content. This makes our products suitable for food processing industries, spice manufacturers, wholesalers, and bulk importers worldwide.

Cow Dung Cake

Skyline Exim is a trusted Cow Dung Cake exporter from India, supplying high-quality, natural cow dung cakes to global markets. Cow dung cakes are widely used for religious rituals, organic farming, natural fuel, eco-friendly products, and traditional practices.

At Skyline Exim, we ensure that our cow dung cakes are prepared using pure cow dung and processed under hygienic conditions to meet international quality expectations.

Our cow dung cakes are made from dung collected from healthy indigenous Indian cows. The material is sun-dried naturally and shaped into uniform cakes to maintain consistency, low moisture content, and long shelf life. We focus on purity, cleanliness, and proper drying to deliver a product that is safe, natural, and environmentally friendly.
